

Basic Skin Care Escent Skin

OPALESCENT CLEANSING CRÈME FACT SHEET

98% Natural, 70% Organic

DESCRIPTION: Opalescent Cleansing Crème is a moisturizer, rejuvenator, and toning agent all in one. This cleanser will leave your skin feeling soft and supple, with a new firmness to it. It contains a winning combination of Organic Aloe, Vitamin E, Sunflower Oil, Beeswax, Olive Oil, Avocado Oil, Kokum Butter and Jojoba oil for moisturizing, and active Toning Enzymes for firming.

DIRECTIONS: Morning and evening, scoop out a dime sized amount onto finger-tips. Add warm water and rub hands together then apply gently to your face in circular motions going in upward-outward direction. Rinse off with warm water and soft cloth. Pat dry.

ACTIVE INGREDIENT DEFINITIONS AND BENEFITS

- **ORGANIC ALOE VERA** - botanical moisturizer, packed with enzymes, vitamins, proteins and minerals to promote healthy skin and stimulate blood circulation.
- **KOSHER VEGETABLE GLYCERIN** - Glycerin is soothing, humectant which draws moisture from the air to the skin. Glycerin is an emollient, which makes the skin feel softer and smoother.
- **BEESWAX** - Beeswax cares and soothes particularly sensitive skin. It protects without inhibiting the skin's breathing.
- **ORGANIC SUNFLOWER OIL** - is rich in both vitamins A and E. and is Good for mature, sensitive and dry, damaged skin.
- **SWEET ALMOND OIL** - Sweet Almond Oil adds moisturizing attribute, has no scent and is a great emollient, softening and conditioning the skin. It also helps skin to balance its loss and absorption of moisture.
- **SHEA BUTTER** - Shea Butter has vitamin A, E and is highly compatible with skin. Shea has superior moisturizing effect on the upper layer of the skin and reduce scars.
- **ORGANIC SAFFLOWER OIL** - The moisture content of human skin is proportional to the content of essential unsaturated fatty acids of Safflower Oil. Wonderfully moisturizing.
- **ORGANIC JOJOBA OIL** - The structure of Jojoba Oil closely resembles that of your own skin's sebum; therefore it has very good effects on the skin, acting as a moisturizer and emollient agent to improve skin elasticity and suppleness.
- **OLIVE OIL** - The ancient Greeks used to bathe with oil and in Mediterranean countries it is known as a "healing oil."
- **AVOCADO OIL** - Avocado oil is highly therapeutic oil rich in Vitamins A, B1, B2, D, and E and the "youth mineral" potassium. It is excellent for dry scaly and maturing skin and for skin problems.
- **KOKUM BUTTER** - Kokum Butter exhibits excellent emollient properties.
- **VITAMIN B5** - Improves and increases the moisture-retention capacity of the skin therefore dry skin stays supple longer. It also has anti-inflammatory and anti-itching effect. It stimulates skin regeneration and small wounds, scratches and blisters heal better.
- **ALLANTOIN** - hastens the growth of new, healthy tissue and for the temporary protection of minor cuts, scrapes, burns and sunburn.
- **VITAMIN A** - is an antioxidant that aids in the removal of free radicals that cells produce. Free radicals have been associated with skin cancer and premature skin aging due to sun exposure.
- **VITAMIN E** - Anti-inflammatory; antioxidant; emollient that has long been associated with accelerated healing. It is used a lot in burn and scar medical therapy units to facilitate the proper the skin in healing of scars.
- **GREEN TEA** - Anti-aging; anti-inflammatory; anti-irritant. contains potent anti-oxidants.
- **TEA TREE OIL** - is a powerful disinfectant, capable of dealing with a variety of infections. It is also used to treat many skin conditions.
- **ORGANIC ROSEMARY** - disinfects, moves sluggish circulation, helping to shift fluid and expel toxins
- **ORGANIC CALENDULA** - The extract from this herb is known for its exceptional anti-inflammatory and skin-healing properties. It is used as a treatment for sensitive skin and to help heal acne scars
