

Basic Skin Care by Escent Skin:

OPALESCENT DAILY MOISTURE FACT SHEET

95% Natural, 72% Organic

DESCRIPTION: Moisturize your face, neck and chest area morning and evening after you cleanse, tone and treat. Moisturizing with the appropriate product is important for all skin types, ages and gender. This day-time moisturizer is thick, rich, protection and with an Organic Herbal Infusion, Aloe Vera, Kosher Vegetable Glycerin, Vitamins A and E, Evening Primrose Oil and Allantoin for healing and smoothing. Glides on and leaves your face feeling soft and moisturizes while you sleep. Wonderfully clean signature fragrance.

DIRECTIONS: Apply to cleansed skin and after Tone and Treatment have been applied. Rub nickel size portion between your fingertips to soften. Spread evenly with gentle patting motions to face, neck, and décolleté in an upward-outward motion. Smooth in gently.

ACTIVE INGREDIENTS and THEIR BENEFITS:

ORGANIC ALOE VERA - botanical moisturizer, packed with enzymes, vitamins, proteins and minerals to promote healthy skin and stimulate blood circulation.

KOSHER VEGETABLE GLYCERIN - Glycerin is soothing, humectant (water-binding) that draws moisture from the air to the skin. Glycerin is an emollient, which makes the skin feel softer and smoother.

ORGANIC SUNFLOWER OIL - is rich in both vitamins A and E. and is wonderful for mature, sensitive and dry, damaged skin.

SWEET ALMOND OIL - Sweet Almond Oil adds moisturizing, has no scent and is a great emollient, softening and conditioning the skin. It also helps skin to balance its loss and absorption of moisture.

ALLANTOIN - Allantoin is a unique product that hastens the growth of new, healthy tissue and temporary protection of minor cuts, scrapes and sunburns also used for skin protection. Allantoin is considered to be nontoxic, nonirritating and non-allergenic.

VITAMIN A - An antioxidant that aids in the removal of free radicals that cells produce. Free radicals due to sun exposure have been associated with skin cancer and premature skin aging.

EVENING PRIMROSE OIL - Emollient skin conditioner; botanical, base builder for natural estrogen production. Evening primrose oil is taken from the seeds of the evening primrose. The name comes from the fact that its flowers blossom in the evening and wither in the day. Evening primrose is full of vitamins and minerals. It also repairs damaged skin, keeps skin healthy, helps repair sun damaged and mature skin. According to the AMA's committee on Coetaneous Health, it does help make the skin feel softer and smoother, reduce roughness, cracking and irritation and may possibly retard the fine wrinkles of aging.
