

Basic Skin Care by Escent Skin:

OPALESCENT NIGHT CREME FACT SHEET

95% Natural, 72% Organic

DESCRIPTION: A wonderful, creamy body butter that contains heavy moisturizers as well as pumpkin and papaya enzymes and pomegranate for super night time moisture and protection.

DIRECTIONS: Apply to cleansed skin and after Tone and Treatment have been applied. Rub nickel size portion between your fingertips to soften. Spread evenly with gentle patting motions to face, neck, and décolleté in an upward-outward motion. Smooth in gently.

ACTIVE INGREDIENTS and THEIR BENEFITS:

ORGANIC ALOE VERA – is a botanical moisturizer, packed with enzymes, vitamins, proteins and minerals to promote healthy skin and stimulate blood circulation.

SWEET ALMOND OIL – adds moisturizing, has no scent and is a great emollient; softening and conditioning the skin. It also helps skin to balance its loss and absorption of moisture.

PUMPKIN SEED OIL – is known as “green gold”, pumpkin seed oil is one of the most nutritious oils available. It contains Omega-3 and Omega-6 fatty acids, Vitamins A, C, E, and Zinc.

POMEGRANATE – seed oil adds moisture. Without moisture, wrinkles become more abundant and pronounced, the skin looks tight and lacks luster. Pomegranate seed oil has natural estrogenic properties, anti-oxidants, is anti-inflammatory, anti-microbial, improves skin elasticity, and protects the skin. It provides relief from minor skin irritations and inflammation.

PAPAYA ENZYME – is an antioxidant that contains a considerable amount of Papain, Folic Acid, Vitamin C, Beta Carotene, and enzymes with some antiseptic properties.

JOJOBA OIL – is extremely skin nourishing and has been credited with skin healing. It even mimics skin's natural sebum for superior absorption.

SHEA BUTTER – is great protection for the skin from the elements, sun, photo ageing and elimination of superficial irritations, burns, eczema, dermatitis, and dermatosis. Our Shea Butter is Fair Trade certified.

AVOCADO OIL – is highly recommended to those with sensitive skin, problem skin and other irritations that require vitamin rich oil. Anti-irritant; emollient; moisturizer.

MACADAMIA NUT OIL – closely resembles sebum (the oil naturally produced by ones skin to help protect it) and is a fabulous protective oil and has been successfully used as a healing oil for scars, sunburns, and other irritations

SUNFLOWER OIL – An oil wealthy in Oleic acids with high amounts of Vitamins A, D, and E, Deeply nourishing and conditioning for the skin and it is highly recommended for recipes designed to treat dry, weathered, aged skin.

KUKUI NUT OIL – contains Vitamins A, C, and E, providing anti-oxidants that help to protect the skin. This unique oil is able to penetrate into the deepest skin layers, while creating a protective shield that locks in moisture.
